

# Marian Ilie

Full Stack Web Developer

## 👤 Profile

I am an ambitious, creative and self motivated person. Having recently completed The School of Code bootcamp, I have **developed** important **skills** like : **Agile Methodologies, communication, active team player , adaptability, pair programming, problem-solving, time-management, work under pressure, self-documentation.**

I have extensive experience in **React.js** and particularly enjoy working in this area, using libraries, tools, and frameworks such as **Styled-Components, Next.js, Auth0, Storybook, and Netlify** for deployment

Seeking to further my growth in a professional environment as a **Full Stack** or **Front-End Web Developer**.
