Marian Ilie

Front end Web Developer

👤 Profile

Enthusiastic Junior Front End Web Developer with a solid foundation in Python and a specialisation in JavaScript, honed through intensive 8 and 16-week boot camps. Experienced in collaborative teamwork, agile methodologies, and pair programming, I thrive in fast-paced environments. My proudest achievement is leading a dynamic team in delivering a cutting-edge final project, showcasing my dedication, adaptability, and passion for creating seamless, user-centric web experiences.
